Chamber of Commerce Fieldman Addresses Board of Trade

Outlines Work of Boards of Trade; Warns To Watch Against Communism

H. A. Purdy of Regina, Western Fieldman for the Canadian Chamber of Commerce, was the guest speaker at the annual meeting of the Vulcan District Board of Trade held in the Legion Hall on Thursday evening, March 31. President M. R. Morrison, O.B.E. was chairman for the evening.

An able and interesting speaker, Mr. Purdy spoke on the work that is being accomplished by the Boards of Trade and Chambers of Commerce throughout the country. Projects successfully undertaken include industrial promotions, the promoting of better roads and better recreational facilities for both young and old, the advocating of better telephone service and better postal service in towns where such services could be improved, getting out the vote in local elections, and the active support of money by-laws which are intended to help build up the town and district.

His talk contained many suggestions for Board of Trade projects. Such matters as the promotion of better roads and extension of the business services offered by the town have been part of the work of the Vulcan District Board of Trade since it was reorganized, and other ways in which the Board can help build up the town and district were brought forth by Mr. Purdy's talk.

On matters of a national, rather than local, importance, the Canadian Chamber of Commerce is ever conscious of its responsibility. It represents more than 550 local Boards of Trade and Chambers of Commerce and works for the good of Canada as a whole.

The speaker warned of the dangers of Communism. The Canadian way of life and the free enterprise system had proved their worth, he said, and Communism should not be allowed to infiltrate into our schools and into our public bodies. It is the responsibility of Boards of Trade and like organizations to guard against Communism and to see that the younger generations are given a true appreciation of the democratic way of life.

Financial Statement

Secretary D. D. McQueen read the financial statement for the past year, showing a net balance of \$425.00 after all accounts had been paid.

Reading of the statement brought up the question of dues, with the suggestion made that, in view of the excellent bank balance, the yearly dues should be reduced from \$10 to \$5. Discussion brought forth the opinion from members that dues should be left at \$10 and a strong bank balance built (Continued on Back Page)

Ladies' Auxiliary Social Evening

Members of the Ladies Auxiliary to the Canadian Legion and their friends enjoyed a social evening, held Wednesday, in the Legion hall. Mrs. Marshall, the president, welcomed the members and guests after which all the ladies joined in a sing-song period, conducted and accompanied by Mrs. Jim Clark. Following this Mrs. Clark and Mrs. R. W. Simington presented a musical quiz, which was much appreciated and was won by Mrs. "Buster" Armstrong.

An auction sale, with Mrs. C. D. Miller as a very capable and entertaining auctioneer was a feature of the evening's program. A great variety of articles, all donated by the Auxiliary members, were offered for sale, including much home baking, canning and needle work. More than \$20.00 was realized, and will be used to carry on the work of the Auxiliary.

Another contest, in which the players had to identify prominent persons of the past and present was won by Mrs. W. A. Fitzpatrick. An enjoyable period of what playing concluded the evening's program, with Mrs. G. Bell winning the prize for highest score. A delicious lunch was served by the refreshment committee and enjoyed by all.

Shower Honors April Bride-elect

Over forty friends gathered recently at the home of Mrs. Fred Mensinger, showering Miss Wilma Irwin, whose marriage to Mr. Ronald Marshall takes place April 9th.

The bride's table was decorated with bright Easter colors, with a miniature bride (dressed as nurse) and groom as centre piece and tall blue tapers at the other end of the table.

The program included a solo, "Oh Where Have You Been, 'Rony Boy'" by Jean Ann Fisher accompanied by Mrs. R. Willard. Then Mrs. Mensinger, in a few well chosen words, welcomed the bride-to-be into the community and little Jean Ann Fisher, in a nurse's uniform, wheeled a beautifully decorated carriage into the room. The carriage was laden with gifts from well wishers. Mrs. Bob Marshall and Mrs. Jack Marshall assisted Miss Irwin in unwrapping the parcels, after which the guest of honor suitably thanked everyone for the very lovely and useful gifts.

A dainty lunch was served by the hostess, assisted by Lois Mensinger, Mrs. R. Willard, Mrs. G. Atkinson, Mrs. Ralph Clark and Mrs. H. Matlock. Mrs. J. Marshall presided at the tea urn.

Baseball's Ten Commandments

Baseball season is just around the corner and Stan Bernard of Kirkcaldy, well known ball umpire, has passed on to us a list of the "Ten Commandments of Baseball" as compiled by some unknown baseball authority. They are mostly fundamental, so fundamental in fact that ball players sometimes forget them.

1.—Nobody ever became a ball player by walking after a ball.

2.—You will never become a 300 hitter unless you take the bat off your shoulder.

3.—Outfielders who throw the ball back of the runner lock the barn after the horse is stolen.

4.—Keep your head up and you may not have to hold it down.

5.—When you start to slide, He who changes his mind may change a good leg for a broken one.

6.—Don't alibi on bad hops, anybody can field the good ones.

7.—Always run them out; you never can tell.

8.—Don't quit; the game is never over until the last man is out.

9.—Don't find too much fault with the umpires because you can't expect them to be as perfect as you are.

10.—A pitcher who hasn't control hasn't anything.

Seven Unforgivable Sins

The same authority has listed the seven unforgivable sins of baseball: Fear, lust, jealousy, hate, malice, deceit and revenge. They cover a lot of territory.

IT'S A HEAVY DATE

To keep from overtaxing the nerves, this young lady suggests that Mr. and Mrs. J. Q. Public get going right away on their income tax reports. Even if they use the short form, it won't be long now—April 30, to be exact, is the last day for filing.

Church of Christ Bible School

Nearly one hundred people gathered in the Church of Christ last Friday evening to witness the program and promotion of the young people and children of the Bible School.

The program consisted of music by the youth choir along with other special musical numbers from the children and the church quartet, readings and recitations by the Beginner department, a choral reading by Primaries, and a number of skits pantomimed from the Old Testament stories.

Blaine Love, David Lundgren, and Russell Chow were promoted from the Cradle Roll to the Beginner department. From the Beginners, Louise Lundgren, Aileen Morely, Gloria Jean Jones, and Sherry Haymack were advanced to the Primary class.

Promoted into the Junior department were Patsy Robertson, Madeline Love, Betty Hollister and Donnie Chow. Agnes Bogner, Ruth Wylie, Carolyn Deal, Lillie Bogner, and Eileen Rutberg were passed into the Intermediate girls class. From the Junior boys went Billy Hansell, Harvey MacDonald, Gordon Campbell, Jerry Wylie and Leland Arnold into the Intermediate boys.

According to the superintendent of the Cradle Roll department, Mrs. Calvin Hollister, there were seventeen listed on the roll.

Spring Fashion Show Presented By W.A. Group and Dress Shop

record attendance turned out to witness the second annual Easter Fashion Parade and tea, under auspices of Group 3 of the Women's Association of the Vulcan United Church, held Saturday in the L.O.O.F. hall.

Decked in spring colors of green, yellow and mauve, the tables were tastefully arranged down both sides of the hall, allowing a wide aisle for the models to display the many lovely spring styles, all kindly loaned for the occasion by Queenie's Dress Shop. Preceding the show a delicious and dainty tea was served by the members of the group, with Mrs. H. Bride, the group president, welcoming the arriving guests.

Mrs. George Eklof, as a most able commentator, introduced each model as she appeared, and described the outfit being shown. Suitable background music was provided by Mrs. Bob Jamison, who presided at the piano. All the latest styles, fashioned to meet the requirements of ladies from the teen-agers and her smart older sister right on to the sophisticated matron, were shown and very ably displayed by the models. Chic suits and accessories, smart coats, afternoon dresses and casuals drew the admiration of all-feminine audience. Those acting as models were Mrs. George Seaman, Mrs. R. Willard, Miss Inez MacDonald, Mrs. R. Collier, Miss Marjorie McIver, Mrs. Dave McAfee, Mrs. F. M. Anderson, Miss M. McKay, and Mrs. F. E. Atkinson.

Second showing at night was also well-attended.

Estimates Passed and Mill Rates Set At Lengthy Municipal Council Meeting

Estimates of \$282,000 Include \$90,000 For Public Works—J. E. Carlson Re-elected Reeve—Plan For Extensive Weed Control and Road Maintenance

Estimates totalling two hundred and eighty-two thousand dollars to cover current year's operating of the Municipal District of Vulcan No. 29 were passed at the first meeting of the new council held on Monday, April 4th. Included in the estimates is the sum of \$104,822.30 for schools, which is slightly higher than the previous year, and \$26,100.00 for public welfare including hospital requisitions. Hospital taxes will be increased in the Vulcan Municipal Hospital District from 2.5 to 3.5 mills due to an increase in the requisition. \$90,000.00 will be spent on public works, \$7,000.00 on the protection of persons and property, \$8,700.00 on administration. Debt charges including discount on taxes will be \$13,177.00; capital expenditures \$14,500.00. It is expected that the District will show a surplus this year in the amount of \$15,000.00.

Mill Rates

Tax rates for the year have been set as follows: Municipal 17 mills, which is the same rate as last year; Foothills School Division No. 38, 16.5 mills, increased 2 mills over last year; McLeod School Division No. 28, 19.5 mills, a decrease of .5 mills; Bow Valley School Division, 23 mills; increased 1 mill; Taber School, Division, 27 mills; Vulcan School District, which is now included in the Foothills School Division 21 mills. Vulcan Municipal Hospital District, 3.5 mills with a minimum of \$7.50 for each rate-payer; High River Municipal Hospital District 2.5 mills with a minimum of \$6.00 for each rate-payer, and Little Bow Municipal Hospital District 5 mills.

5% Discount

Council gave three readings to a by-law to provide for the assessment and taxation for Municipal and school purposes of personnel property within the District, commencing with this year. Another important by-law passed was the by-law fixing the amount of discounts to be allowed for the early payment of taxes. The District had been in the habit of allowing a maximum discount of 10%. The Municipal Act was amended this year by the Provincial legislature placing the maximum discount which a District may allow at 6%. New regulations set by the council are 5% discount if taxes are paid on or before June 30th, and in cases of personal property taxes, 5% if paid within 30 days of the date of mailing the tax notice.

J. E. Carlson is Reeve

Mr. J. E. Carlson was re-elected

reeve of the district for the ensuing year, and Mr. A. McLean deputy reeve. Mr. Norman Scotney, successful candidate in the recent Municipal elections in Division 5, was sworn in as a councillor for that division. Mr. D. D. McQueen was re-appointed Secretary-Treasurer and Mr. John A. Williams, C. A. of Lethbridge was re-appointed auditor. Regular meeting of the council will be held on the second Tuesday of the month at 10.00 in the forenoon. The next regular meeting will be held on May 10th.

Rural Electrification

Resolutions were passed setting the rate of pay for councillors at \$8.00 per day and wages for the regular employees at the same rate as last year. Approval was given to two applications to build rural electrification lines. One project embraces a number of farmers west of Vulcan and north and east in the Mayview district, and one project known as the Harmony Rural Electrification Association which will provide power for farmers east and south of Vulcan centering on the Harmony school area. Some 150 farm homes will receive the benefits of the hydro-power.

Health Unit

Mr. Dan McNiven, councillor for division four, was re-appointed representative on the Board of the Foothills Full Time Health Unit from the Municipal District, and the 1949 requisition to the Health unit was approved. An effort will be made to have the entire municipal district included in the Health Unit.

Weed Control

Plans were made for a more extensive weed control this year. A By-law was passed to purchase a chemical spraying and blowing machine which will be used to combat the problem of the serious noxious weed menace. Arrangements were also made to supply farmers with free 2, 4-D to be used on road allowances. The District will issue free one gallon of the best grade 2, 4-D to farmers who purchase three gallons from the District at the regular retail price on the understanding that the extra gallon will be used for weed control on road allowances. Farmers will be required to pay the out-of-pocket expense of the district for work done by the municipal sprayer when used on their lands. Mr. C. H. Matlock was re-appointed weed inspector. More concern is being felt over the weed problem, and every effort will be made by Municipal officials to cope with the spreading of the important noxious weeds.

Road Maintenance

Public Works program includes the gravelling of some 40 miles of road this year and grading 46 miles. The sum of \$10,000.00 has been set aside for maintainers. The Municipal District now owns four large maintainers, each of which will have a designated area to look after. A machine will operate from Champion, Kirkcaldy, Brant and a location in Division 5 North east of Vulcan. A by-law was passed authorizing the expenditure of amounts necessary to fix up the Municipal building in Champion. Brant to house a maintainer, equipped with a snowplow in winter, and suitable building in Division Five for the same purpose. Particular attention will be paid this year to maintaining. With the four machines working full time it was felt that all roads could be properly looked after.

Road Improvements

Application for grants for road improvements is being made to the Provincial Government: \$15,000.00 for grading, \$20,000.00 for graveling, \$7,000.00 to gravel five miles of old highway east of Vulcan, and \$5,000.00 to re-grade the old highway north from Champion. According to present plans the amount to be spent on road construction and improvement will be spread over the divisions as follows:

Division One, \$13,100.00; Division 2, \$10,900.00; Division 3, \$16,000.00; Division 4, \$16,800.00; Division 5, \$17,800.00. In addition to these figures the amount of grant for re-conditioning the old highway if received will increase the expenditure in divisions one and two.

New Office Building

Council gave two readings to a by-law to authorize the expenditure

Four Days Between Twins

Twin births in the bovine world, as in the human race, do not occur often and are usually considered out of the ordinary. But twins 4 days apart is believed to be a rarity indeed. However a Hereford cow, on the John McRobert's farm east of Vulcan produced Jack, a fine bull calf on Tuesday, March 29th, and, not satisfied with her effort, gave birth to Jill, an equally fine calf on Saturday, April 2nd. Mother and both babies are doing nicely.

Oil Exploration Crew Testing North District

gravity meter crew of the Intermountain Exploration Co. of Casper, Wyoming, is now located in Vulcan and is testing the area north of Vulcan for a large oil company.

The crew is in charge of Carey Schmid of Casper, who, with Mrs. Schmid, has now taken up residence in Vulcan. Other key members of the crew are J. E. Preece, Jack Redman, C. R. Daugherty and M. J. Dickerson.

The crew expects to be working in this district for about three months.

Charlie Fulton Heads Ball Club

Charlie Fulton was again elected president of the Vulcan Baseball Club at the recent annual meeting held in the Legion rotunda.

Other officers for the current season are: Ralph Johnson, vice-president and manager; Bob Willard, secretary-treasurer; K. Loucks, coach.

It was decided to request a meeting of the Wheatbelt Baseball League as soon as possible to decide what to do about entering another league, and Howard Spaeth was named as Vulcan representative to the meeting.

It was decided that the club would try to purchase 20 bushels of registered seed wheat to be distributed in 5 bushel lots, with the ball club receiving the equivalent in yield per acre at harvest time.

Charles Fulton, Howard Spaeth and Ralph Johnson were named as a tournament committee.

Calgary Choir To Sing Here

Approximately 30 members of the Tuxedo Park Church of Christ choir in Calgary will appear in the Church of Christ here Wednesday, April 13, at 8 p.m. with an Easter Cantata.

During the service a special offering will be taken to forward the building project of the new Parkhill Church of Christ in Calgary which opened just recently.

The minister, Mr. J. Chapman, invites the public to attend this service.

use of a sum not exceeding \$10,000.00 for the purpose of erecting a Municipal Office on the present property in Vulcan. Advertising in respect to this by-law appears elsewhere in this issue.

Court of Revision

Court of Revision for the purpose of hearing complaints against assessments occupied the afternoon of the second day of the meeting. A number of revisions in assessments were made to reduce the value of lands which had been affected by flood conditions. Mr. P. M. Patterson, assessor to the District, was in attendance.

Other matters of a routine nature such as the passing of accounts and the laying out of public works program in detail occupied the attention of the councillors in one of the busiest and most important council meeting held in the local Municipal District in the past few years.

School News

Signs of spring were evident last week, when several of the students were missing for the afternoon session.

Six students motored to Calgary last Wednesday after school to see "The Three Musketeers."

Members of the physical education classes were measured and weighed on April 5. Thanks is extended the Revelstoke Sawmill Co. for the use of the scale.

Attendance standing of the grades for the month of March was as follows: Grade 1, 95.54%; Grades 6-7, 95.31%; Grade 2-3, 93.36%.

New pupils at the school include Cecilia Anne Sweet, Grade 1, from Black Diamond; Marilyn Ann Mounkes, Grade 3, from Turner Valley; Frances Alice Munde, Grade 6, from Moose Jaw, and Gordon Munde, Grade 11, Moose Jaw.

The students Union have decided to hold the annual banquet and dance on May 13.

There were not enough signatures handed to the secretary in time to charter a bus to travel to Parkland Friday evening to attend the sweater dance put on by the Parkland students. However about twelve students from Vulcan attended and reported a very good time. No one from here entered the prize contests.

HERBERT J. MABER K.C.BARRISTER, SOLICITOR AND NOTARY
Vulcan, Alberta

1st April, 1949.

To My Clientele:

I have, as you no doubt know, been practising in Vulcan for more than thirty-three years, but now owing to the state of my health have been advised to retire. I have arranged for Mr. John M. Jamison to take over my practice. Mr. Jamison has been a resident of this district for more than thirty years and I feel confident that he will in an efficient manner be able to attend to all matters pending in my office as well as any future business you may entrust to him.

It has been a pleasure to me to have been of some service to you during the long period I have been here and it is with great regret that I am compelled to pursue the course I am now doing.

Yours sincerely,
HERBERT J. MABER**25% Off**

R. C. R. Munro, Editor
Authorized as Second-class Mail by
Post Office Department, Ottawa**NOTICE**

IN THE MATTER of "THE CO-OPERATIVE ASSOCIATIONS ACT, 1946."

AND IN THE MATTER of the winding up of Vulcan Co-operative Association Limited.

NOTICE IS HEREBY GIVEN that all persons having claims against the above-named Association are required to file with the undersigned Solicitor for the duly appointed Liquidator thereof by the 30th April, 1949 a full statement, duly verified, of their claims and of any securities held by them and that after that date the said liquidator will distribute the assets of the Association among the shareholders entitled thereto having regard only to the claims so filed.

DATED this 10th March, 1949.
HERBERT J. MABER
Vulcan, Alberta.**NOTICE**

Public Notice is hereby given that the following By-Law has been introduced in the council of the Municipal District of Vulcan No. 29.

A BY-LAW of the Municipal District of Vulcan No. 29 to authorize the expenditure of a sum not exceeding Ten Thousand Dollars (\$10,000.00) for the purpose of erecting a Municipal Office

WHEREAS the Council of the Municipal District of Vulcan No. 29 deems it advisable to build a new Municipal Office in Vulcan, NOW THEREFORE BE IT RESOLVED that the Council of the Municipal District of Vulcan No. 29 enacts as follows:

That a sum not exceeding Ten Thousand Dollars (\$10,000.00) be expended to cover the cost of erecting an office building upon the District's property, Lots 8, 9 & 10 Block 3 Plan 7000 A.G. Vulcan, Alberta, according to such plans and specifications as the Council may determine.

This By-Law shall come into force upon its final passing. Read a first and second time, and provisionally passed by the Council in regular session this 4th day of April, 1949.

D. D. McQueen J. E. Carlson

Sec. Treas. Reeve

AND FURTHER that unless within thirty days from the publication of this notice at least ten percent of the proprietary electors of the Municipal District petition the council to submit such by-law to the vote of the proprietary electors of the Municipal District, the Council will proceed to pass the same.

Mrs. P. Holm, who has spent the past several months at the Banff Mineral Springs Hospital, is convalescing at the home of her son-in-law and daughter, Mr. and Mrs. J. Sanderson.

Mr. and Mrs. L. V. Stout, who spent the winter months in California, returned to their farm home last week.

Among those visiting in Lethbridge last week were: Mr. and Mrs. H. Leback Allan and Melvin McLean, Miss McLean, Mr. and Mrs. H. E. Smith, Mr. and Mrs. D. W. Greenlee, Mrs. C. G. Miller.

The Fireguard Bridge Club held a card party at the home of Mr. and Mrs. Leonard Volsey, Wednesday night, March 30, high honors going to Mrs. A. Orcutt and Oscar Hagg, and consolations prizes to Mrs. O. Hagg and Philip Fath. The hostess was assisted in serving lunch by Mrs. Guy Volsey.

Mr. and Mrs. Howard Orcutt returned last week from a business trip to Toronto.

Mr. and Mrs. Frank Caldwell, accompanied by their son and daughter-in-law, Mr. and Mrs. Max Caldwell who have been visiting here for two weeks, journeyed to Calgary on Sunday where the latter boarded a plane for their home in Belleville, Ontario.

The Women's Association of the United Church held their monthly meeting at the home of Mrs. E. Siler on Thursday, March 31, with Mrs. R. Heglund presiding. Plans were made for a fashion show and tea to be held on Wednesday, April 13th in the Community Hall. The hostess was assisted in serving a dainty lunch by Mrs. C. Vliet.

T. B. Northfield, Optometrist, Successor to E. J. Anderson, will be at Savoy Hotel, Champion, Friday afternoon April 8, for the purpose of examining eyes, etc.

Mr. and Mrs. George Smith and sons, Douglas and Roger, accompanied by Mrs. A. J. Miller of Vulcan were Calgary visitors on Friday at the home of Mr. and Mrs. W. R. McRae.

Miss Laurel Towers of Calgary is visiting at the home of her uncle and aunt, Mr. and Mrs. P. Dawson for two weeks.

Mrs. N. St. Peter of Milk River is visiting at the home of her mother, Mrs. T. Jopling.

Mr. and Mrs. Ed Selland of Calgary were weekend guests at the home of Mr. and Mrs. Walter Smith.

Mr. and Mrs. P. W. Gatenby and Kenny of Woodhouse and Mr. and Mrs. W. Gatenby of Stavely were weekend visitors at the homes of Mr. and Mrs. D. Dow and Mr. and Mrs. A. Rupp.

Mrs. P. Larkin spent several days at Ensign, guest at the home of her son-in-law and daughter, Mr. and Mrs. C. Collison.

The Misses Audrey Syme and C. Rose were weekend visitors at the homes of their parents, Mr. and Mrs. T. Syme and Mr. and Mrs. W. Rose.

Mr. and Mrs. C. Mellett of Red Deer were visitors at the home of the latter's parents, Mr. and Mrs. D. W. Greenlee.

Mr. and Mrs. Tom Sletto of Stavely were recent visitors at the home of the former's brother and sister-in-law, Mr. and Mrs. Oscar Sletto.

Several from Champion attended the Fashion Show and tea in Vulcan on Saturday.

Mr. Glen Long, who is attending Mount Royal College, visited at the home of his parents, Mr. and Mrs. J. Long.

Mr. P. Geroy of Carmangay, father of Mrs. Leonard Rhodes of Champion, passed away last week. The sympathy of her many friends is extended to Mrs. Rhodes in her bereavement.

Miss Mary Hyslip and Miss Edith Miller of Vulcan were Sunday visitors at the home of the latter's parents, Mr. and Mrs. C. G. Miller.

An Easter Fashion Show and tea, presented by Vliet's Store and sponsored by the Women's Association of the United Church will be held on Wednesday afternoon, April 13 in the Community Hall, starting at 2:30 p.m.

Mr. and Mrs. A. Orcutt visited for several days in Calgary, guests at the homes of their sons-in-law and daughters, Mr. and Mrs. D. Adams and Mr. and Mrs. T. Weir.

Weekend guests at the home of Mr. and Mrs. Jesse Matlock were Mr. and Mrs. Fred Story and daughter Leslie of Macleod and Mr. and Mrs. Stan Matlock of Crossfield.

Miss Gloria Fraser is a visitor in Calgary, guest at the home of her uncle and aunt, Mr. and Mrs. Geo. Rhodes.

Mr. Milt. Moffatt of Lethbridge was a recent business visitor in town.

The Champion Curling Club wound up the season by holding an open banquet in the dining room of the community hall, Thursday evening March 31. Members of the Ladies Curling Club catered the supper which was well attended.

Mr. and Mrs. J. MacDonald of Barrhead, Alta. are spending a week at the homes of the latter's brother and sisters-in-law, Mr. and Mrs. Bruce Alder and Mr. and Mrs. Ken Alder.

Mr. and Mrs. August Siegal and family of Calgary were recent visitors in the district looking after farming interests.

Mr. Keith Groves and Bob Long who have spent the winter months attending the School of Technology at Calgary returned to their homes last week.

Mr. and Mrs. L. Fath of Calgary spent several days at the home of their son and daughter-in-law, Mr. and Mrs. Raymond Fath.

The Macleod, Pincher Creek Health District Well-baby and Pre-School Clinic will be held in Champion in the Village office on Tuesday, April 12, 1949 from 1:30 to 4 p.m. Mothers are invited to bring their children for check-ups and immunizations. This service is offered free of charge.

Mr. and Mrs. George Hummel were weekend visitors in Calgary guests at the home of the former's mother, Mrs. B. Hummel.

Mr. A. G. Campbell of Calgary was a recent business visitor in town.

Mrs. A. W. Jopling is a visitor at the home of Mr. and Mrs. H. Jopling, prior to leaving for her home in Grand Junction, Colorado.

Mr. Frank Griffin, Mr. and Mrs. O. B. Smith, Mr. and Mrs. Morgan Smith are attending the spring conference of the L.D.S. Church in Salt Lake City, Utah.

Mr. and Mrs. V. Cattoni, who spent the winter months in town, have taken up residence on the W. Everson farm.

At a special meeting of the Community Hall Society Board, Tuesday, March 29, H. E. Smith was elected chairman, M. Groves, vice chairman and J. McKie, Secretary treasurer.

Mr. and Mrs. J. Long, and Mrs. Geo. Orr were Calgary visitors last week.

Ramon Hummel arrived from Calgary and has accepted summer work on the G. F. Smith farm.

If we had the opportunity to do things over again, we should probably do them worse.

Rehabilitation of Amputees Aided by U.N.

Philippine amputees learn to use their new artificial limb by working in the garden of their hospital. This occupational therapy program was designed with the help of a United Nations consultant, who served in the Philippines under the United Nations international social service program, which is being expanded during 1949.

Safety on the Farm

Too many accidents occur on Alberta farms. When you gamble with safety you bet your life, and it isn't worth the risk.

B. T. Stephenson, Department of Agricultural Engineering, University of Alberta, says that most farm accidents are caused by hurry and carelessness. Hurrying to produce more, the farmer becomes careless and as the result of some preventable accident he may actually produce less. Too many people, says Mr. Stephenson, have the idea that because they have farmed so long without accident their good fortune will continue. It might be well to remind ourselves that more than one-third of all farm accident deaths occur in the 45 to 64 year age group. All these farmers had got away with it for a long time but when the blow did fall it was permanent.

Mr. Stephenson suggests that if an inventory were taken on every farm of the accidents that might happen, the causes could be corrected and accidents avoided. The farmer is the only one who can assume this responsibility. In factories and other industries, employees are protected by safety devices and there are regular inspections by safety specialists. Farm people must take their own precautions.

Safety is a sound investment. It pays to be safety conscious and to develop safety habits. Burns, cuts and puncture wounds can be treated by doctors, but smart operators avoid these injuries. The best safety device is just above your shoulders.

OATS, BARLEY, STAY UNDER SUPPORT—OIL CROPS WITHDRAWN

It has been announced by the Minister of Trade and Commerce that the existing floor prices for western oats and barley will be maintained for the 1949-50 crop year. The floor prices for oats and barley produced in western Canada are—61½ cents a bushel for No. 1 feed oats, and 90 cents a bushel for No. 1 feed barley, both in store Fort William or Port Arthur. The Minister emphasized that these are support prices only and producers will have the advantage of whatever higher prices prevail during 1949-50.

Announcement was also made that the Government is withdrawing price support from the oilseed crops — flaxseed, rapeseed and sunflower seed, because of developing surpluses of seeds and oils. "Under the circumstances," the Minister said, "the Government is not prepared to encourage the production of oilseeds by establishing support prices for 1949-50. The position will be examined again at the beginning of the next crop year."

The work of mercy never ends. Give generously to the Red Cross.

Fertilizer Tests On Wheat

(Experimental Farm News)

Several different kinds of fertilizers were tested on wheat grown on various soil types in southern Alberta in the last two years. The test plots were located on fine sandy loam, loam, silt loam, clay loam, and clay in the brown soil zone in southeastern Alberta, and in the dark brown and shallow (thin) black soil zones in western and central Alberta. The fertilizers used were ammonium phosphate (11-48-0) at rates of 25 and 50 pounds per acre; ammonium sulphate at 27.5 pounds per acre; single superphosphate at 50 pounds per acre; triple superphosphate at 56 pounds per acre; and complete fertilizer at 37 pounds per acre. The plots were laid out in quadruplicate and the yields obtained were analysed statistically to determine which results were significant.

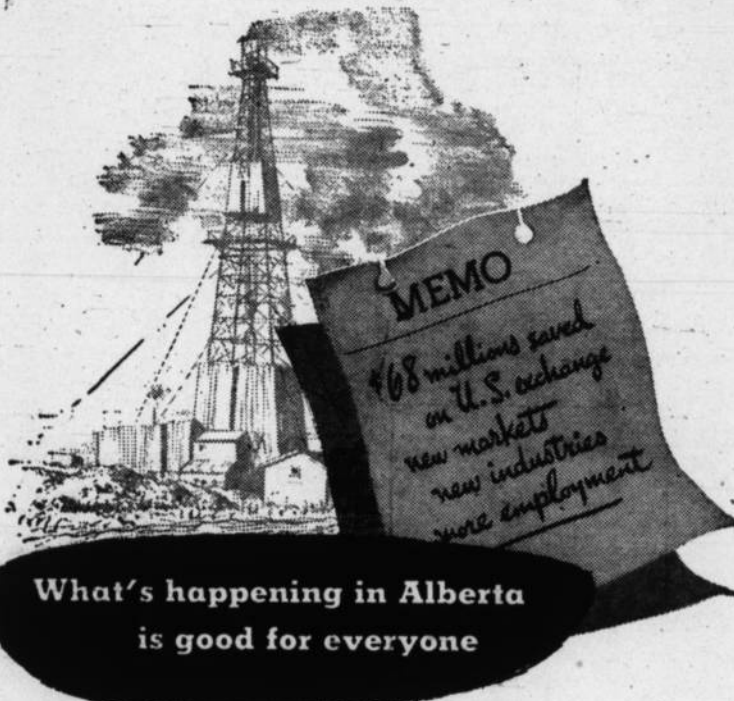

In general, it can be stated that the greatest responses occurred in the shallow black soil zone, and in the northern portion of the dark brown soil zone with increases up to 7.8 bushels per acre on the shallow black clay soil at Pincher Creek in 1948. Practically no response was noted on any soil type tested in the brown soil zone east of Lethbridge with the exception of the heavy soils in the northern part of this area. In the dark brown soil zone greater responses occurred also on the heavier soil types.

Practically, without exception, where responses from fertilizer occurred on the dark brown or shallow black soils, the fertilizers used contained phosphate. The use of nitrogenous fertilizers alone showed no increases in the yields of wheat, and the addition of potash to a phosphate fertilizer did not give an additional increase. It appears therefore that in many areas of southern Alberta, when rainfall is ample, the supply of available phosphates may be deficient in the soil.

The protein content were determined on the wheat in these tests where fertilizers were applied at 25 to 56 pounds per acre, but no significant differences were noted. However, on additional test plots on eroded soils, in the dark brown soil zone where ammonium phosphate fertilizer was broadcast in 1948 at excessively heavy rates, after the wheat was up (200 pounds per acre), significant increases occurred both in the yields of wheat and also in its protein content.

CASTLE TO DAM

A Perthshire castle, built at fabulous cost some 123 years ago, but never occupied or even completed will provide 200,000 tons of stone for the construction of one of the dams in Scotland's big Tummel-Garry hydro-electric power scheme. Murthly Castle has been a white elephant since its owner died while trying to humble the pride of neighbouring lairds with a building which would outshine their homes with its Tudor facade and seven pagoda turrets. With his death, work stopped and the castle—complete with banqueting hall, ballroom, and grand staircase—was never floored or fitted with windows. The castle which had stood so long was brought down in a week. Explosives had to be used to reduce its massive walls in which 6,000 shot-holes were drilled.

What's happening out in Alberta these days? Plenty! New oil is being sought and found. Money's flowing faster. There's lots of activity, lots of opportunity. And as a result all Canadians are better off.

For instance, oil from Alberta's new wells is expected to save 68 million U.S. dollars this year! That's one of the big reasons for Canada's better trade position, one of the reasons we are able to buy more U.S. goods.

The new discoveries have meant lower cost operation in Alberta and Saskatchewan for farmer and industrialist, and this must ultimately benefit all of Canada.

Then, too, it takes a lot of money to find oil and lots more to develop a field once it's found. Two million dollars a week is being poured into oil exploration and development in Alberta today. That spending creates new markets for the things the rest of Canada has to sell.

And finally let's recall that in the war years—and after—we were dependent on foreign oil for roughly 90 per cent of our supplies. This year prairie production should exceed prairie demand. With continued effort and reasonable success it is not too much to hope the men who search for oil will make Canada self-sufficient in petroleum in years to come.

Everywhere in Alberta you hear about new oil discoveries—all the more because they followed the long years when nature baffled the oil seekers. Years when men drilled holes two miles deep and found only water. Years of million-dollar disappointments.

In 1947 the tide turned. First it was the Leduc field... then the Woodbend field... next Redwater... now, still untested by time, other discoveries give new promise and the hope of still greater benefits for all Canadians.

IMPERIAL OIL LIMITED

If you're interested in facts...

Consumption of oil in Canada is the second highest in the world on a per capita basis. United States alone is higher.

Canadians are using twice as much oil as in 1939 and more than three times as much as in 1932.

At the beginning of 1949 Canada was importing 84 per cent of her oil.

During 1948 Imperial Oil drilled a total of 138 wells in its search for oil and in developing the new fields of Alberta.

The oil industry is spending more than \$100 million in exploration and development in Alberta this year.

Bringing you oil is a big job—and a costly one

This advertisement is appearing throughout Canada in daily and weekly newspapers.

BUILDINGS FOR SALE

The Board of Trustees, Foothills School Division No. 38, will be prepared to consider offers for the purchase of the following buildings, the highest or any tender on any item not necessarily accepted. Bidders may tender on any one of the buildings listed or on all buildings on either school site.

Derry S.D.
No. 3114

situated on the S.W. ¼ Sec. 14-18-25 W4th; approximately 3 miles straight East of Brant. Buildings include School building, Barn, Coalshed and toilets.

Union Jack S.D.
No. 1865

situated on the S.W. ¼ Sec. 6-19-23 W4th; approximately 12 miles North and 3 miles East of Vulcan or 3 miles East of the Corner Store. Buildings include School Building, Barn, Coalshed and Toilets.

Tenders should be in the hands of the undersigned on or before Saturday, April 9th, 1949. John W. Donald, Secretary-Treasurer, Foothills School Division No. 38, High River, Alberta.

The 1949 Chevrolet is completely restyled, lower, wider and is available in two series—Fleetline and Styleline—with a wide variety of body types. Shown here is the Styleline four-door deluxe sedan. There has been an immense increase in glass area with all windows deepened and widened. The windshield takes full advantage of wider bodies, curving inward at the narrowed pillars to improve sideway as well as forward vision. The gain in visibility over 1948 has been as much as 30 per cent on comparable models. The new Chevrolet for 1949 is powered by a rugged six-cylinder, valve-in-head engine.

Chemical Weed Control

(From Lethbridge Herald)
(By JOHN REIMER)

Another step in the advancement of scientific farming has been written into the annals. South Alberta farmers have accepted chemical farming today just as they accepted all other farm improvements at they came along—the drill, the tractor, the combine irrigation. It's a magic word all over the south country—2, 4-D—the chemical that kills weeds. The words of E. A. Greeno, large-scale farmer in the New Dayton district, describe it perfectly: "The weeds just quit when I use that stuff."

But the rapid spread of the use of the chemical 2, 4-D has come so fast that the practical application is far ahead of the scientific "knowhow." Farmers have treated thousands and thousands of acres all over Southern Alberta but the agricultural scientists still cannot tell them how 2, 4-D penetrates the leaf and very little definite information on how and under what conditions and types of soil it works best.

Two Methods

To add confusion to the matter, farmers have the choice of two methods of applying the chemical—by spraying it or by a straight dusting process. The controversy that started three short years ago when 2, 4-D was first introduced to the farmers, continues to rage all over the south, and scientists continue to experiment and can give little concrete information while the farmer has gone ahead and accepted it as part of his regular farming operation without the usual blessing of the "expert."

Another example of what the farmer thinks of it are the words of Jacob Gast, farmer near Magrath. "It is necessary to have this machine on the farm just like a combine or any other piece of farm machinery." That is only one of the many enthusiastic statements heard by this reporter when on a tour of farms from Lethbridge to Malbutt to Milk River to Magrath several days ago. Not one of the dozen or more farmers interviewed condemned 2, 4-D, and all were unanimous that their future farming operations would include the chemical weed destroyer.

But John J. Sexsmith, weed specialist at the Lethbridge Experimental Farm Station, is not as enthused as are the farmers. He admits that "2, 4-D is here to stay until something better comes along," but it is not the final answer. "Good farming will never be replaced by chemicals," he contends, but added that 2, 4-D is a good helper.

But even Mr. Sexsmith cannot answer the question as to whether dust or spray application is the better. "Our feeling here is that one is probably as good as the other. One doesn't do the same work another will under certain conditions and vice versa." He also said that dust is slightly more expensive than spray but to, offset that it takes longer to spray than it does to dust, which, "equals it out pretty well."

By Airplane

But the story is far from ending there. With the rapid development and adaptability of aircraft, farmers now have the choice of getting the 2, 4-D applied by airplane, in an amazingly short time.

But through all this one thing seems very sure. As far as the farmer is concerned, 2, 4-D is here to stay. Said Arie B. L. Koole, prominent farmer near Barons: "I believe the spray and dusting machine is one of the biggest improvements since the horse age." Here's what Waldo Miller of Lethbridge has to say: "I can see where it will make farming more economical in the future and I'll be able to plant my crop earlier as well." Chemical farming is the only thing in the future," declared David Penner of Grassy Lake in a long distance telephone interview. "I will definitely use 2, 4-D in the

future and will never worry about weeds again."

Throughout the tour of the south farms, statements from farmers varied as to what percentage the chemical will kill weeds. Vowed George Hofer, in charge of the Wolf Creek Hutterite colony near Stirling: "We dusted 2,000 acres of wheat with 2, 4-D ester and 450 acres of flax with 2, 4-D sodium salt on fields infested with stinkweed, mustard, Russian thistle and wild sunflowers and had a large increase in bushels. It meant a good crop instead of a failure," he swears.

R. N. Greeno, a farmer south of Lethbridge, told the reporter that "a field treated with 2, 4-D gave me at least seven to eight bushels per acre more." Really enthusiastic was Allen Christensen, farming in the Stirling area: "I used 2, 4-D ester on a field of barley that was really covered with Russian thistle, stinkweed and pigweed and it gave a 100 per cent kill. I know beyond a doubt that is saved my barley crop."

Both Effective

But farmers agree with agricultural experts that both dusting and spraying are equally effective. Large scale farmers complain that they couldn't possibly spray as it is too slow while farmers with smaller acreages insist there's nothing like spraying. A. A. Croteau, operating the Peace Farms at Milk River, has both machines and said he sprayed 80 acres at 4 m.p.h. and dusted 1700 acres in two weeks with the dust behind a jeep doing up to 15 miles per hour. All farmers were also unanimous that no damage was caused from "drift" created by dusting.

The relative effectiveness of 2, 4-D applied as dust and spray is difficult to appraise accurately, says an excerpt from the notes of the Second Western Canadian Weed Control conference held in Winnipeg, Nov. 3-5, 1948, and "it has not given conclusive information." When 2, 4-D was first introduced to farmers, it came in the form of what is known as amine and ester, and these were slightly harmful to the more susceptible flax while they did a good job on cereal grains. Last year one chemical firm introduced 2, 4-D sodium

salt that is not as damaging as ester or amine to flax, according to Mr. Sexsmith of the local Experimental Station. But he contends that it takes more sodium salt to do as good as job as half as much amine or ester will do.

In the meantime, Experimental Farms all over Western Canada are continuing to experiment and manufacturers are also setting aside huge sums for research work. But one thing remains certain: Farmers have not entered the chemical era of farming. Chemical 2, 4-D weed destroyer or its successor is here to stay.

BRITAIN'S CONTRIBUTION TO NON-STOP WORLD FLIGHT

The recent epoch-making non-stop flight around the world by a U.S. Air Force B-50 plane was made possible by the technique of refuelling in the air while the bomber was in flight. This process is a British invention and the equipment which was actually used during this remarkable journey was also British. It was similar to that employed last year on the British Overseas Airways Corporation's North Atlantic service during a non-stop flight from London to Montreal.

Wheat stocks in the four chief exporting countries—Canada, the United States, Argentina and Australia—on January 1st, 1949, amounted to 1,617 million bushels, compared with January 1st, 1948, stocks of 1,587 million and the 1944-48 average of 1,681 million bushels.

FLUR - DRY SEALS CEMENT FLOORS

A Capillary Moisture-Proofing, Dustproofing, Sealant and Primer for Concrete Floors.

— Suggested Uses —

1. Moisture proofing and Priming Damp Cement Floors.
2. Priming coat prior to application of a floor and deck enamel.
3. Dust proofing, Powdering Disintegrated Concrete surfaces.
4. Waterproofing and sealing damp spots on interior-plaster walls.
5. Primer and Sealant for all types of manufactured wall-boards.
6. Damp-Proof Sealant and Primer for application on damp and green wood.

SETTING A NEW WORLD STANDARD OF LOW-COST MOTORING

Everything about it tells you this new CHEVROLET

is the most Beautiful BUY of all
... in all these features
and in all these ways!

Look at this new Chevrolet, inside and outside! Consider it from every point of view and on every point of value!

We believe you'll agree it's the most beautiful buy for smartness and distinction, for comfort and roominess, for driving and riding ease, for performance and safety... because

it offers feature after feature of costlier cars at the lowest prices and with all the economy of operation and upkeep for which Chevrolet is famous.

You'll find that now more than ever before Chevrolet merits the title of being "first for quality at lowest cost"; and that it is, indeed, the most beautiful buy of all, in all these features and in all these ways.

First for Quality
at Lowest Cost

CHEVROLET

is the only car bringing you all these fine-car advantages at lowest cost!

CHEVROLET

The Most Beautiful BUY for STYLING

Chevrolet's New Leader-Line Styling is lower, wider, racier... the most beautiful development of the new "functional form" for motor cars... with new Beauty-Leader Bodies by Fisher that are true masterpieces by the master builder of fine coachcraft.

The Most Beautiful BUY for COMFORT

The new Chevrolet has Super-Size Interiors with plenty of head, leg and elbowroom; extra-restful, extra comfortable "Five-Foot Seats"; and giant luggage space in rear decks. Moreover, these are "cars that breathe," for a highly-efficient heating and ventilating system inhales outside air, exhales stale air and keeps glass clear in all weather. (Heater and defroster units optional at extra cost.)

The Most Beautiful BUY for PERFORMANCE with ECONOMY

The famous Chevrolet Valve-in-Head Engine gives a world of power, acceleration, smoothness and dependability... together with all of Chevrolet's remarkable economy of operation and upkeep.

The Most Beautiful BUY for ALL-ROUND SAFETY

Here's five-fold safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes providing even faster stops with safety; (2) Extra-Strong Fisher Unisteel Body-Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows; and (5) the extra-safe Unitized Knee-Action Ride.

Plus NEW CENTRE-POINT DESIGN

A remarkable 4-way engineering advance exclusive to Chevrolet in its field, and consisting of Centre-Point Steering, Centre-Point Seating, Lower Centre of Gravity and Centre-Point Rear Suspension gives the new Chevrolet riding and driving results without precedent or parallel in low-cost motoring. That means a new kind of riding ease and a new kind of driving ease heretofore reserved for owners of more expensive cars. Remember—only new Centre-Point Design can give you all these finer motoring results; and only the new Chevrolet brings you Centre-Point Design at lowest cost!

Carmanagay

Mrs. A. Lund received word that her daughter Grace, who is nursing in the Creston hospital is a patient in that hospital suffering from rheumatic fever. We all wish her a speedy recovery.

Mr. and Mrs. Harold Hovde and family who have spent the winter at Toppenish, Wash., with the latter's parents, Mr. and Mrs. Maloney, returned last week.

Mrs. Vilas Teskey substituted as teacher in Grade V and VI this week due to the illness of their teacher, Mrs. H. L. Whittle.

Mr. and Mrs. L. Roemmelle Sr. and Jr. were Lethbridge visitors this week.

Many of the citizens throughout the district and town have been confined to their beds with the "flu."

Mr. and Mrs. Arnold Bond returned on Friday from Vancouver, having spent the last two months there.

Harold Ross, who is attending Garbutt's in Calgary, visited with his parents over the week-end.

The meeting of the W.A. was held at the home of Mrs. Roy Church on Friday afternoon. Fourteen members were present. Mrs. A. Lund took the Devotional. Forty-four dollars was handed over to the cleaning fund by the president's group. This money had been raised by selling lunches at the bonspiels. Plans were made to hold a Mother's Day program on May 6th. In the United Church, when all the mothers of the district are invited to attend. Champion and Barons W.A.'s are also to be invited. The next meeting is to be held at Mrs. R. Craig's home. Mrs. A. Lund spent Thursday in Lethbridge.

The Robert Burns Lodge members entertained their friends on Tuesday evening with a card party in the Masonic Hall. A good time was reported by all. Winners of prizes for Norwegian whist were: High, Mrs. R. Craig and Mr. Eric Collier; Low, Mrs. L. Roemmelle Sr. and Mr. W. Knight. Winners of prizes for cribbage were: High, Mrs. G. McGinnis and Mr. S. Thompson; Low, Mrs. F. McTavish and Mr. G. McGinnis. This is an annual event.

Mr. and Mrs. Ed Stettner, Jay and Mr. C. Stettner were Lethbridge visitors this week.

The death of Mr. Perry Geroy on Thursday came as a shock to his friends and neighbors. He had been a pioneer farmer of the district. Mr. Geroy came to Carmanagay in 1906 with his father and took up farming west of town. The late Mr. Geroy was predeceased by his wife in 1924. Two daughters survive, Mrs. L. Rhodes of Champion and Mrs. J. Luine of Carmanagay.

Mr. and Mrs. W. Ross were weekend visitors in Calgary where they attended the christening of Mr. and Mrs. Charles Ross' baby daughter.

Mr. and Mrs. T. Svannes have returned after a honeymoon spent at Banff.

Mr. and Mrs. Jasper Root are spending the weekend in Calgary guests at the home of the former's mother and sister.

Mr. Ray Milliken from Lethbridge is a guest at the home of his brother and sister-in-law, Mr. and Mrs. Lynn Milliken, over the weekend.

Mrs. J. M. Nelson spent several days in Lethbridge this week, visiting at the home of Mr. and Mrs. S. Larson.

Mr. and Mrs. E. A. Bird of Calgary announce the engagement of their daughter, Catherine, to Mr. Albert Teskey, second son of Mr. Floyd Teskey and the late Mrs. Teskey of Carmanagay. The marriage is to take place in April.

Mr. and Mrs. W. Graff (nee Eva Fraser) from Vancouver were guests at the home of the latter's parents, Mr. and Mrs. James Fraser, for a week and then left for Lethbridge, Sask.

The dance held at the Finn hall on Friday evening, sponsored by the North Priscilla Club, was well attended. The Champion Orchestra was greatly enjoyed by all. Proceeds from the dance amounted to approximately fifty dollars.

The C.G.I.T. group, the Good Samaritans, met in the Sunday School room on Tuesday evening, with Miss Patsy Nugent reading the devotional. Only six members were present. Plans were made to have a program in May. They also discussed the possibility of having a Lending Library for the Sunday School. The Club is having an Easter Sunrise Hike. They finished their meeting by cleaning up the book cupboard.

Mr. and Mrs. Walter Griffin accompanied by Mr. and Mrs. Geo. Davies motored to Sterling last week and were guests at the home of Mrs. Davies' sister, Mrs. Bodnaruk.

Friends and neighbors gathered with Mr. and Mrs. Melville McLeod on Friday evening for a house warming. McLeods have recently purchased the Rob Clark farm. An enjoyable evening was had by all.

Mr. and Mrs. E. Hunt of Iron Springs were visitors in town on Wednesday.

Mr. and Mrs. Roy Craig were Thursday visitors in Lethbridge.

Mr. Rudolph Hubka was a Calgary visitor on Wednesday.

Mr. and Mrs. Vilas Teskey were Lethbridge visitors on Saturday.

Miss Dorothy Solocum enjoyed Thursday in Lethbridge.

Mr. and Mrs. John McFarland entertained their neighbors to a very enjoyable evening. Games were played for several hours and then the hostess served a most delicious lunch.

Mr. and Mrs. Robert Hubka motored to Lethbridge on Friday.

Mrs. George Hardy is a Calgary visitor this week, having accompanied Mr. and Mrs. D. H. Russell.

The funeral services for the late Mr. Perry Geroy were held from the United Church on Saturday at 3 p.m. with Rev. Peter Dawson officiating. The pallbearers included J. McFarland, G. Simmons, G. Davies, M. McLenn, L. Baldwin and K. Clarke. Funeral arrangements were in charge of Ringrose from Claresholm.

Mr. and Mrs. E. Lazo and son were Thursday visitors in Lethbridge.

On Monday evening Mrs. Needham, Miss Elaine Needham, Miss Marie Matlock and Mr. and Mrs. K. R. Miller attended the Operetta, "The Sunbonnet Girl" presented in the Central High School Auditorium, Calgary, by the Tech Choral Society of which Bob Miller is the president. It was a delightful presentation.

The W.C.U.C. was held at the home of Mrs. Dale Clarke on Wednesday with 10 members present.

The meeting was opened by repeating the Creed. The roll call was answered by giving the number of living relatives. Members who failed to answer roll call were notified to bring their pot-holders to the next meeting. It was decided to divide members into two groups, giving points for attendance and roll call and for the winners to be entertained by the losers at the end of the year to a supper. The hostess served a delicious lunch assisted by Mrs. Maxine Bates.

The Social Credit Group is having an Easter Tea and bake sale on April 16th in the old telephone building.

Many friends and neighbors gathered at the home of Mr. and Mrs. T. Svannes for a charivari on Monday evening. Some stayed at the home to play cards, while others went to the Bowville Hall and dance. Lunch was served and a delightful time was had by all.

Physical Training Demonstration

A health and recreation demonstration on Friday evening in the Community Hall concluded the term activities of the pupils of the Carmanagay School under the direction of Mr. Blaine Hudson.

Mat tumbling with a girls' routine and both junior and senior boys doing rolls, arm to arm pull-overs cartwheels and dives, was followed by games. The boxing bouts proved particularly interesting. Folk dancing which is giving the boys and girls poise was another side of the program. The boys and girls both showed results of careful training in their balancing, vaulting and pyramid building the climax of which was an 18 man pyramid. David Shearer, won a cup as the winner of the free throw contest. Parents and all who saw the demonstration were loud in their praise of Mr. Hudson, who has been their teacher. With the money raised more equipment will be purchased.

China's 1948 wheat production is now placed at 925 million bushels, a slight increase over the 1947 production of 919.6 million. And considerably above the pre-war average of 750 million bushels.

World wheat production in 1948, including the Soviet Union, is now placed at 6,415 million bushels, considerably above last year's production of 5,790 million and the 1935-39 average of 6,010 million bushels. Successful Business Advertiser!

Vulcan,

Foothills Health District

The Foothills Health Unit Well-Baby Clinics for February will be held as follows (Weather and road conditions permitting):

HIGH RIVER—Health Unit Office each Saturday 9:30 to Noon

NANTON—Rest Room 1st Tuesday of month—2:00 to 4:00 p.m.

Vulcan—United Church Hall 2nd Tuesday of month—1:30 to 3:30 p.m.

ARROWWOOD—U.F.A. Hall 3rd Tuesday of month—1:30 to 3:30 p.m.

OROTOKS—Elks Hall 4th Tuesday of month—2:00 to 4:00 p.m.

BLACKIE—Masonic Hall 4th Monday of month 2:00 to 4:00 p.m.

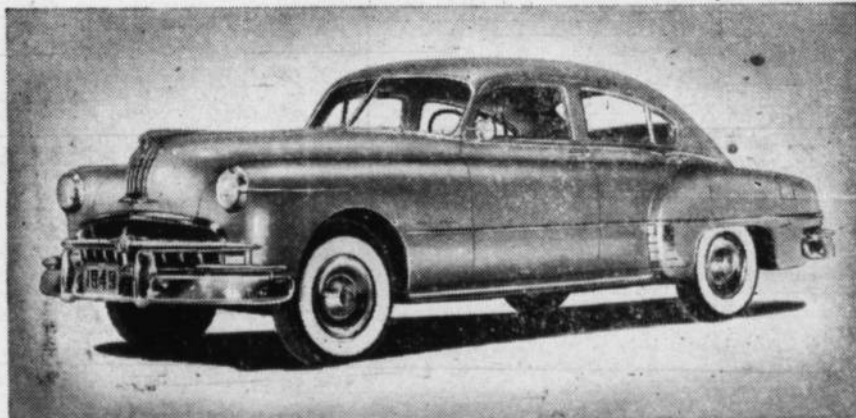

TURNER VALLEY—United Church Hall 1st Thursday of month—1:30 to 4:00 p.m.

BLACK DIAMOND—United Church 2nd Thursday of month—1:30 to 4:00 p.m.

ROYALTIES—W.I. Hall 3rd Thursday of month 2:00 to 4:00 p.m.

LONGVIEW—Auxiliary Services Hall 4th Thursday of month—2:00 to 4:00 p.m.

These well baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing with parents any problems regarding feeding, training and general care. Inoculations for diphtheria and Whooping Cough and Smallpox vaccinations are given after six months of age. There is no charge at these clinics, which are a service of the Foothills Health Unit.

THE NEW 1949 PONTIAC is available to Canadian motorists in four series—Chieftain, Streamliner, Fleetleader Special and Fleetleader Deluxe. Shown here is the Streamliner four-door sedan, which like the Chieftain, is available on 120-inch wheelbase with a six or eight-cylinder engine. The Fleetleader Special and Deluxe are both available on 115-inch wheelbase with a six-cylinder engine. Completely redesigned, the 1949 Pontiacs offer an entirely new concept of functional beauty. They are wider and lower than any model yet offered in the Pontiac line. GM's Hydra-Matic Drive is available as an option at extra cost on certain Pontiac models.

J. T. Willard & Son

Phone 63

Vulcan

Alberta

District News**BERRYWATER**

Mr. and Mrs. Alan Smith were Lethbridge visitors over the weekend.

Mr. and Mrs. D. B. Smith attended the Olds School of Agriculture Achievement Day March 26th.

Mr. and Mrs. H. C. Douglass were Calgary visitors the first of the week.

A joint meeting of the three boards of the Milo, Berrywater and Queenstown congregation was held in Milo church following an afternoon service at that point, conducted by Rev. O. H. Rollis of Vulcan. Mr. Rollis also presided at the meeting. Plans were discussed regarding services for the coming summer months. Information was given by Mr. Rollis that he would accede to the request to work more closely with the student and exchange services more frequently, probably once a month. As had been hoped, the student for the summer will be Mr. MacPherson of Cayley, who is expected to be on the field by the first Sunday in May. Services at Berrywater will be held at 11 a.m. A service will be conducted at Berrywater April 10th., at 3 p.m. by Rev. O. H. Rollis.

Mr. and Mrs. Percy Myers of Reid Hill were Sunday guests at the Lorne Healy home.

Sunday guests at the R. Adam home were: Mr. and Mrs. Roy McIntyre, Mrs. C. McIntyre, Mr. and Mrs. L. Palmer and Judy of Vulcan. Mr. Kumlin and Mr. O'Hare of the Reid Hill teaching staff and Mr. N. Scotney.

Miss Joan Thomas was a weekend guest of Miss Norma Adam.

Mr. and Mrs. J. McRoberts accompanied by Mrs. C. McIntyre were Calgary visitors Thursday and Friday.

Friends of Louie Palmer will regret to learn he was painfully hurt while steer-riding at the Speer home Sunday afternoon. A two-day stay in the local hospital was required and he is now resting at his home.

Pete Makortoff, another district resident was also the unfortunate victim of a freak accident recently. While going to the roof of his house to put out a smouldering fire in his chimney, the ladder slipped with the result that Mr. Makortoff was badly shaken up.

Sunday guests at the W. Speer home were Mr. and Mrs. Kirby and family of Milo, Mr. and Mrs. Walter Dann and family and Mr. and Mrs. Orville Speer of Vulcan.

Mrs. Bob White of Okotoks spent the week with her daughter, Mrs. Pete Makortoff.

The district was saddened Monday with the news of the death of Gerald Crimp at Vancouver on April 3. Gerald spent most of his boyhood in the Berrywater district, moving to Vancouver in the late twenties. The deep sympathy of the district is extended to his mother at Vancouver and to his brothers, Harold of Vancouver, Ivor of Toronto, and Leonard of Montreal.

Born to Mr. and Mrs. Will Robson at Calgary on April 5, a daughter, Mr. and Mrs. Robson were both Berrywater young people.

EASTWAY

The next meeting of the Eastway Ladies Social Club will be held at the home of Mrs. F. Wyatt on Thursday, April 14.

Andrew Sokvitne has returned home after spending a year in Norway, accompanied by his bride of a few months.

Mrs. H. Washburn and Philip spent last week in Calgary, where the latter took treatments on his arm.

Mr. and Mrs. D. Brodrick Jr. returned to their farm on Monday after spending the winter in Edmonton.

Mr. and Mrs. Win Brown have left the district and are at present living at Okotoks.

Dave Lewis of Okotoks is visiting in the district.

Mr. and Mrs. F. Wyatt and Dale were Saturday visitors at the home of Mr. and Mrs. J. Wyatt, High River.

Mr. and Mrs. W. Marshall and Ruth motored from Vancouver to their homes here last week.

Mr. and Mrs. R. N. Hill are the proud owners of a new 1949 Mercury sedan.

Dan McNiven sold a team of purebred Percherons, a black mare and a black gelding weighing 3950, to Lybrook Miller of Red Deer, at the Calgary Horse Sale for the high price of the Tuesday sale, \$360.00.

Mr. and Mrs. B. Asplund are spending a short while with relatives in Lethbridge before taking up residence on the farm of W. Burgess.

Mrs. Fred Burgess of Arrowwood is spending a few days with relatives in the district.

Mr. and Mrs. Ivo Love and Fay accompanied by Mr. and Mrs. J. Stein were Calgary visitors last Tuesday.

R. Hill drove his new 1949 Ford

truck to Calgary on Tuesday.

Visitors to Calgary last week included Mr. and Mrs. F. Wyatt and Mr. and Mrs. W. Burgess.

Mr. and Mrs. Ray Onstad motored to Calgary last week, where Mrs. Onstad is spending a few days.

Mr. and Mrs. D. Hill of Milo are new residents to the district, making their home with Mr. and Mrs. Ivo Love.

Clifford Laycraft of Blackie is staying at the home of his brother Gordon.

Mr. and Mrs. S. Campbell were Calgary visitors on Monday.

Mr. and Mrs. J. Sutor and Mr. G. Laycraft were Calgary visitors on Saturday.

ALSTON

Miss Anne Lee was visiting at the home of Mr. and Mrs. R. A. Clements for the weekend.

Mr. and Mrs. Roger Hubbard were visiting relatives at Didsbury over the weekend.

Miss Yvonne Pervis of Nanton was the weekend guest at the home of Miss Shirley Hubbard.

Raymond of Calgary and Lucille of Carmangay spent the weekend at the home of their parents, Mr. and Mrs. Sam Beingsner.

A fair crowd attended the dance which was held in the community hall Friday night.

We are sorry to learn that Myrthe Callaghan is in the Vulcan Municipal hospital with the flu.

Many from this community attended a card party held in the Litchfield district Friday night.

Mr. and Mrs. J. M. Williams and family moved to their new home on Saturday. We sincerely welcome them to this part of the community. Many of their relatives visited them on Sunday.

Miss Vera Maurushot was able to return to her home west of Staveloy for the weekend. Evelyn and Marjorie Reath also spent the weekend at home.

Mr. and Mrs. John Long of Champion were visitors at the home of Mrs. C. Beaubier, March 29th.

KIRKCALDY

Mrs. A. J. Maisey passed away in the local hospital on Sunday, April 3rd after a lengthy illness. The sympathy of their many friends is extended to Mr. Maisey and family in their sad bereavement.

Mr. and Mrs. D. Wilson are the proud parents of a baby boy born in the local hospital on April 1st. Congratulations!

The Kirkcaldy W.I. are trying to organize a girls club six years and up. Those interested please note a meeting will be held at the school on Saturday April 16th.

Everyone welcome to the "Taffy Pull" to be held in the school at 7 o'clock on Friday night, April 8th.

Friends will be sorry to learn Miss Hansen is a patient in the local hospital.

Mr. and Mrs. Bob Middleton accompanied by Mr. and Mrs. Hill motored to Olds on Tuesday to attend the graduation of their sons Jack and Barry Middleton whom have completed a two year course at the Qlds school of Agriculture.

Mr. Ivan Haga was a Calgary business visitor on Tuesday.

Mrs. Percy Clark was a visitor to Calgary on Tuesday.

Mr. and Mrs. Maisey of Calgary have been visiting at the home of the former's brother, Mr. A. J. Maisey.

Mr. and Mrs. J. O'Reilly motored to Calgary on Sunday, returning home the middle of the week.

Mr. and Mrs. Howard Hagg have moved into the house formerly occupied by Mr. and Mrs. H. Mitchell who have taken up residence on a farm in the Parkland district.

Mr. Oscar Hagg of Champion was a visitor at the home of his

brother and sister-in-law on Monday.

To Organize Girl's Club

The Kirkcaldy W.I. met at the home of Mrs. Henry Todd on Thursday March 31st, with twelve members and four visitors present.

Mrs. Wayne Anderson gave a report on the Conference of District No. 4 Alberta, Womens' Institute, held in Lethbridge last week.

Mrs. R. Clements gave a talk on the Conference and their good work in organizing girls clubs and that one of her ambitions was to see one organized in this district. Mrs. Clements suggestion was readily taken up by the members and a meeting will be held in the school, April 16th to organize a girls club six years and up.

Mrs. Brown MacDonald gave a paper on 'Our National Inferiority Complex' which created considerable argument and discussion.

The "white elephant" sale netted \$23.05 with our very capable Auctioneer Miss Nettie Ware in charge.

At the close of a very enjoyable afternoon the hostess served a delicious lunch. The next meeting will be held at the home of Mrs. G. Urquhart on April 28th.

LOMOND

A fair crowd attended the novelty dance, everyone had fun with balloons, music makers, paper hats, and confetti, the balloon dance was won by Hazel Beagle, and Edy Pittars. Doug Erskine was chosen as the mystery man in the mystery dance.

The Goodwill Club held a show in the Community Hall Tuesday afternoon in honor of Mrs. Bill Brown (nee Gladys Chapman). The Club presented her with a lovely white chenille bedspread, she thanked everyone in appreciation of the lovely and useful gifts.

Mr. and Mrs. Pete Stokes are being congratulated on the birth of a son in the Vulcan hospital.

Mr. and Mrs. Henry Huff are the proud-parents of a son born in St. Michael's hospital, Lethbridge.

The badminton club motored to Barons, Sunday, to take part in the tournament.

Construction of a power house for the new light plant is under way at the 99 service garage.

Mr. J. Henrickson, Mr. and Mrs. Ralph Lenstad and son were Vulcan visitors on Monday.

Mr. and Mrs. Bill Schontz, Mr. and Mrs. Bob Brown were visitors at the A. Neilson home.

Mr. Jimmy Simpson, Lethbridge, was a business visitor in the district.

The Lomond school entered in the music festival at Vauxhall. The various items be heard during the day, include solos, elocutions, chorus, choral speeches, and action songs. The children that didn't en-

ter enjoyed a holiday.

Work has commenced on the Lomond Oddfellow hall. Mr. Johnson is the chief carpenter, members of the lodge also assisting.

There have been several cases of flu around the district.

Mr. Ed. Root was a business visitor in Lethbridge.

RED CROSS

The telephone meeting was held at the home of A. Fulton on March 29 with a good attendance. Plans were discussed for moving the telephone line back along the highway, using new poles.

A meeting was held at the Red Cross school April to organize an F.U.A. local. Jim Stein acted as chairman for the evening and Clare Dunham as secretary. A very interesting talk on the development and benefits of farm organization was given by Mrs. H. C. Douglass, one of the directors for District No. 12. The following officers were elected: Andy Knive, president; J. Gerding, vice-president; Alvie Fulton, secretary treas. Directors are A. Giles, W. Sharpe, Clare Dunham, L. E. Richardson, Mrs. Andy Knive. 17 members joined the new organization. The next meeting will be held at 8 p.m., Friday, April 8th, at the home of Andy Knive. Lunch will be served by the members and everyone interested is invited to attend.

A. Giles, Alvie Fulton and Geo. Todd attended the horse show and sale in Calgary last week.

Mrs. A. Giles has returned home from Calgary where she underwent an eye operation.

Neil Giles, who has been employed in Calgary this past winter, has returned home to assist with the farming operations.

Mr. and Mrs. E. N. Rushfield and family were Sunday visitors at the home of Mr. and Mrs. Keith Rowland, Cluny.

Mr. and Mrs. Stanley Martin and baby of Lethbridge were weekend guests at the home of Mr. and Mrs. Reg Stein.

Mr. and Mrs. E. Plourd attended the funeral of the latter's cousin at Carmangay last Saturday.

The Home and School Association meeting at the Red Cross school March 31 was well attended. Plans were completed for selling the school piano and a talk by Mr. Lavery of the Foothills Division proved very interesting. Lunch was served by the committee.

Miss Norma Hogg, District Economist, was present at a meeting held at the home of Mrs. Maude Snow on April 1 with the purpose of forming a girls club. The next meeting will be held at the home of Mrs. Snow on April 26 at 4 p.m.

Brief Items of Local Interest

Mrs. F. B. Clark and son Allan, who have spent the past three months visiting with relatives and friends in California returned recently, and are at present guests at the Ralph Clark home, near town.

Work commenced on Monday on the basement for the new home of Mr. and Mrs. B. A. Lloyd.

Mr. and Mrs. D. Brodick and family who spent the winter in Edmonton, have returned to their ranch in the Buffalo Hills district.

Members of the Reid Hill W.I. are asked to notice that the April meeting will be held at the home of Mrs. Pete Bowie, and Roll Call will be "An Interesting Fact About Newfoundland."

Mr. and Mrs. Roy Walker were Sunday visitors to Calgary.

The first margarine appeared on local dealer's counters on Tuesday and was eagerly bought up by thrifty-minded housewives.

Mrs. W. Walker of Edmonton has been renewing acquaintances in Vulcan and district for the past week, and while here was a house guest at the home of her son and daughter-in-law, Mr. and Mrs. B. Walker.

Word has been received here of the birth of a son to Mr. and Mrs. Bob Gooder of Lethbridge on April 1st. Mrs. Gooder is the former Miss Dorothy Ottewill.

Mr. and Mrs. W. S. Hill and Mr. and Mrs. Bob Middleton were among the district residents who motored to Olds on Tuesday to attend the graduation exercises at the Agricultural school there.

Mr. and Mrs. Jim Morley of Calgary spent the weekend renewing acquaintances in the district.

Mr. V. Wright and Mrs. Garland of Medicine Hat, and Mrs. Anderson of Taber were guests last week of Mrs. Margaret Dobbs.

Mrs. C. Ottewill is spending the week at the Gooder home in Lethbridge.

Word has been received here of the recent birth of a son to Mr. and Mrs. Fred Bond, Hanna. Mrs. C. Fleming has left to spend a short visit at her daughter's home at Hanna.

Mr. and Mrs. R. L. Elves and Donnie of Bowness were business visitors in Vulcan on Monday.

Friends of Mr. and Mrs. Wright, one-time residents here, while Mr. Wright was manager of the Bank of Commerce, will be interested to learn that Bill, Jr. has recently been made manager of a Toronto bank, following in his father's foot-steps.

Mrs. C. B. Shimp spent the weekend at the home of Mrs. A. Warner at Lethbridge.

Mrs. W. Neufeld and children were recent Calgary visitors for a week.

Friends of Mrs. W. W. Clarkson will be pleased to learn that she is now at home after spending a few days in the local hospital.

F. M. Maiden, who has now retired from farming, will be making his future home at Seattle, Wash. Mr. Maiden has been a resident of the Vulcan district since 1914.

The senior choir of the United Church under the direction of Mrs. W. W. Almond, organist, will present a cantata, John Stainer's "The Crucifixion," at the church on Good Friday, April 15th, at 8 p.m. The public is cordially invited to attend.

Mrs. Frank A. Wilder of Worcester, Mass., died on March 31 at the age of 72 years. Mrs. Wilder had been a resident of Worcester for the past forty years. She was a sister of E. A. Woodman of Vulcan, who last saw her five years ago.

Mrs. George Finnegan of Calgary received word this week that her father, Mr. J. O. Bailey of Gresham, Oregon, passed away April 3. Mr. and Mrs. Finnegan have left by plane to attend the funeral.

ADD LOCALS—

H. J. Maber left this week for a three weeks holiday at the coast.

Mr. and Mrs. Harris Matlock and Jean Anne accompanied by Mr. and Mrs. Roy Clarkson motored to Calgary Sunday to visit the latter's brother.

Mr. and Mrs. Stanley Johnson, Miss H. Cameron, Rev. E. Justice and Mr. Frank McKay motored to Calgary on Saturday.

Seven members of the Vulcan Cadet Corps accompanied by Lieutenant S. Johnson and Lieutenant J. L. Findlay journeyed to Calgary Saturday last to observe demonstrations by the Ld. S.H. in tank, mortar and flame throwing maneuvers. The boys and their instructors report a most interesting and enjoyable trip with the single exception of the extremely muddy and seemingly bottomless roads of the military reserve. A further thrill was provided some of the boys when Monday evening's Herald carried a picture of several cadets taken during Saturday, with three of them identifiable from their caps, as Vulcan cadets.

AS YE SOW,
SO SHALL YE REAP

"As ye sow so shall ye reap." This advice is as good today as when it was written over 2,000 years ago. Only a poor crop can grow from poor seed, but if good seed is sown then the best crop will be produced that weather conditions will permit. Registered seed is the best seed. See the nearest Searle Agent for supplies at reasonable prices.

Vulcan

Board of Trade

(Continued From Front Page)

up so that the work of the Board of Trade could be continued without restriction in leaner years. The matter of dues was therefore left in abeyance.

Other Business

Discussion on the matter of securing improved postal service for Vulcan and other towns on this line led to the passing of a resolution that the Post Office Department be requested to place a mail car on the Calgary-Vulcan-Lethbridge route. It was brought out that many routes with a smaller volume of business, and that such a service on this line would not only improve inter-town communication but would result in better service with towns north of Calgary.

A resolution was passed, to be forwarded to the Nanton Board of Trade, asking that organization to approach the council of the Municipal District with a view to improving the road between Nanton and the Little Bow River.

President's Report

A report covering the past year was given by President M. R. Morrison, showing that the Board of Trade has 60 members and held six regular meetings and three committee meetings. Two very successful 2-day short courses were sponsored and, under the auspices of the Board, an income tax meeting was held in Vulcan, with officials present from the Calgary Income Tax Office.

The Vulcan District of Board of Trade is affiliated with the Alberta Board of Trade and Agriculture and with the Canadian Chamber of Commerce and it was decided to continue these affiliations.

Election Next Meeting

President Morrison appointed a nominating committee comprised of Dr. G. M. Carson and C. H. Andrews to bring in a slate of officers at the next meeting, which will be held on Thursday evening, April 21, in the Legion Hall.

When the first Canadian Boy Scout Jamboree takes place near Ottawa next July, three troops of American Boy Scouts, including two boys from every state in the Union, plus nine leaders, will attend. Altogether it is anticipated that some 3,000 Scouts and leaders will participate.
